Mahog Music Tours

Inishbofin Tour, 2026

We will be staying in Ireland's most westerly Island Hotel. 4000 km of Atlantic Ocean worth of fresh air, with hundreds of acres of open spaces, pristine seas, breath-taking scenery, beautiful sunsets and silence! The island is small but there are many different walks and [activities](#) to explore. The most important activity of all is to slow down and be nourished by the wild Atlantic sea air and landscapes! There will be no bus on the Island, we are on foot unless you rent a bike! At your leisure, you can take a stroll on the island's official Looped Walks. These trails will lead you through stunning cliffs, and breathtaking coastal views. It's not just a walk; it's a chance to breathe in the fresh air, clear your head, and find some inner peace.
